# *Books at Press*

*Books at Press* resources have been developed specifically to support teachers in addressing cultural and religious education with early years pupils. The stories provide the basis for cultural and religious education together with the opportunity to explore a wide range of cross-curricular activities promoting a fully integrated curriculum appropriate for this age group. The stories and accompanying resources also provide opportunities to extend the knowledge, understanding and skills of more able children and children in Key Stage 1.

Our main aim in producing these resources was to support practitioners in providing **appropriate and meaningful** Religious Education and Spiritual, Moral, Social and Cultural development for this age group.

The 2015 Ofsted Inspection Framework **will inspect schools on the way in which the pupils show their**

- ability to be reflective about their own beliefs, religious or otherwise, that inform their perspective on life and their interest in and respect for different people's faiths, feelings and values (*spiritual development*)
- sense of enjoyment and fascination in learning about themselves, others and the world around them (*spiritual development*)
- **acceptance and engagement with the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs (*social development*)**
- interest in exploring, improving understanding of and showing respect for different faiths and cultural diversity and the extent to which they understand, accept, respect and celebrate diversity, as shown by their tolerance and attitudes towards different religious, ethnic and socioeconomic groups in the local, national and global communities (*cultural development*)
- understanding and appreciation of the wide range of cultural influences that have shaped their own heritage and those of others (*cultural development*)
- understanding and appreciation of the range of different cultures within school and further afield as an essential element of their preparation for life in modern Britain (*cultural development*)

Our resources explicitly address all of the above requirements.

## About Us:

**The author, Gill Vaisey** provides a wide range of consultancy services to those concerned with children's religious education and spiritual development. Gill is a qualified teacher and a nationally recognised specialist in Early Years and Religious Education provision. Gill has over twenty years' experience in providing training for schools, colleges, education authorities, Church Dioceses and other religious bodies across England and Wales. She is known for her enthusiastic manner, her inspirational ideas and down to earth approach in sharing and demonstrating best practice in RE from Early Years to Key Stage 2.

In direct response to teachers' requests, Gill has produced resources for purchase - books, toys and cross-curricular activities which make RE fun for pupils and easy for teachers!

Gill further supports teachers by generously producing a wealth of free planning and classroom resources for teachers and pupils, all of which can be easily downloaded from the website [www.booksatpress.co.uk](http://www.booksatpress.co.uk)

Her range of both published and free classroom resources are used extensively across the UK and have made a major contribution to the development of excellence in RE.

**The Illustrator**, Louise Gwilym, is a Nursery Nurse who has been working within the school environment for sixteen years. Through working with primary age children, Louise has developed her individual style of art which captures the interest and imagination of children of all ages, and in particular those in the early years phase of education.

Melissa has many years' experience as an RE Co-ordinator and has worked with early years pupils extensively throughout her career.

Full details of the resources can be viewed at [www.booksatpress.co.uk](http://www.booksatpress.co.uk) or telephone 01594 516490.

## Using *Books at Press* resources for Early Years and Key Stage 1

*Books at Press* resources have been specifically produced to be entirely appropriate for nursery and reception children. They can also be used effectively with more able children and those working at Year 1 and Year 2 level.

We believe in 'a bottom up approach' and therefore all of our stories and cross-curricular resource pack activities are tried and tested with the youngest children in nursery settings and we then create further activities and ideas to extend the knowledge, understanding and skills of more able children.

Each resource is fully supported by a cross-curricular topic web and detailed activity suggestions linked to the EYFS for England, Foundation Phase curriculum for Wales or Curriculum for Excellence in Scotland.

A wealth of additional free accompanying classroom activities and resources can be downloaded from our website [www.booksatpress.co.uk](http://www.booksatpress.co.uk)

Our resources provide a wealth of opportunity to support Literacy and Numeracy and also provide excellent support for the development of pupils' spiritual, moral, social and cultural development.

Our aim in producing these resources is to support practitioners in providing appropriate and meaningful Religious Education for this age group, making RE fun for pupils and easy for teachers!

The following summarises our philosophy:

'Religious education must be meaningful and appropriate and therefore careful selection of resources and contexts for learning is essential. Provision of religious education should be consistent with good practice in the rest of the curriculum for this age group. It should therefore be largely based on active involvement in first hand experiences. Good religious education focussed activities will provide opportunities to develop imaginative play, language and mathematical skills, music making and creative artwork. As well as making a significant contribution to knowledge and understanding of the world, and their personal, social and emotional development, good religious education will also provide valuable opportunities to widen the pupils' cultural awareness and experiences and develop an awareness of a spiritual dimension to life.'

GMV 2002

## **Statutory Requirement to provide Religious Education.**

Legislation states that Religious Education must be provided for all registered pupils at a school except those in a nursery school and in nursery classes in a primary school.

Therefore, pupils in a reception class must be provided with Religious Education according to the LA Agreed Syllabus (for County and Voluntary Controlled schools) or the school's trust deeds / Church Syllabus (for Church Aided Schools). Reception pupils will also cover the Early Learning Goals from the EYFS curriculum.

Pupils in a nursery school or nursery class in a primary school will be covering the Early Years Foundation Stage curriculum which contains some natural links with Religious Education.

## **Early Learning Goals associated with Beliefs and Culture:**

Within the Statutory EYFS framework (**September 2014**), Religious Education links can be found primarily within the Understanding the World area of learning.

### **Understanding the world**

**People and Communities** : Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this. **They know about similarities and differences between themselves and others, and among families, communities and traditions.**

**The world**: Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur, and talk about changes.

## **Links With Other Elements of Early Years Foundation Stage Curriculum**

The following planning sheets illustrate the many elements of the EYFS which link naturally with the provision of Religious Education. In particular, there are excellent links in relation to an exploration of the natural world.

## Extract from Development Matters in the Early Years Foundation Stage (EYFS) (p.38)

Playing and Exploring, Active Learning, and Creating and Thinking Critically support children's learning across all areas

 40 – 60 months	<ul style="list-style-type: none"> <li>Enjoys joining in with family customs and routines.</li> </ul> <p><b>Early Learning Goal</b>  <b>Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this. They know about similarities and differences between themselves and others, and among families, communities and traditions.</b></p>	<ul style="list-style-type: none"> <li>Encourage children to share their feelings and talk about why they respond to experiences in particular ways.</li> <li>Explain carefully why some children may need extra help or support for some things, or why some children feel upset by a particular thing.</li> <li><b>Help children and parents to see the ways in which their cultures and beliefs are similar, sharing and discussing practices, resources, celebrations and experiences.</b></li> <li><b>Strengthen the positive impressions children have of their own cultures and faiths, and those of others in their community, by sharing and celebrating a range of practices and special events.</b></li> </ul>	

Children develop at their own rates, and in their own ways. The development statements and their order should not be taken as necessary steps for individual children. They should not be used as checklists. The age/stage bands overlap because these are not fixed age boundaries but suggest a typical range of development.

# Planning Support Sheets

The following support sheets provide starting points and suggestions for a range of activities that can be explored in conjunction with the books and their accompanying resources.

Teachers should select activities appropriate to the needs and abilities of the children. Teachers and pupils will naturally develop a range of other activities as they explore and enjoy the resources.

The suggested activities have been cross-referenced to particular elements of the areas of learning from the Early Years Foundation Stage curriculum. In addition, links have been made to areas of religious education that are commonly featured in locally Agreed Syllabuses / Church Syllabuses.

# Puddles Lends A Paw

is the second in this series which introduces pupils to aspects of the Christian faith. **This book is simply *purrfect* to support a 'People Who Help Us' topic.**

In this story we find our furry friend finishing her favourite lunch. *Always* looking for an adventure, Puddles decides to go to church. There she meets the various church helpers who are busy getting ready for the Sunday service... Will Puddles lend a paw or will her mischievous nature prove to be a hindrance?

This title is available in both English and Welsh in big book and standard book format. Don't forget the soft toy Puddles / Pwlllyn and the fantastic Freddie Fisher if you haven't already got them!
